

CINEMON – CATERING / HOSPITALITY RIDER 2016

The document is the description of the optimal conditions for performing a satisfying concert (by ensuring we're well fed and in a good mood, you see).

PEOPLE IN THE BAND

The band consists of 5 people: 3 musicians, the sound-engineer and the manager. All meals, drinks and accommodation should take that into account.

HOT MEALS

After a long journey we'd love to be served 5 hot meals **minimum 2 hours** before the concert. We are all meat-eating bastards. Regional food is welcome or we can have some nice burgers (no fast food, though, heaven forbid).

DRINKS / SNACKS

A few nice beers, water, fresh juice, coffe/tea will do the trick. Stuff like chocolate cookies, m&m's, different kinds of cheese and fruit would be a perfect bonus. A bottle of Whisky will make us even merrier. Go on and spoil us!

ACCOMMODATION

The closer to the venue, the better. Five people mean five beds but we've toured a lot so we can share beds. Did I really said that? Well, we can definitely share the rooms. Please note, the manager's a nice and delicate female, so we also need a bathroom + shower, preferably per each room.

PARKING

We need a guarded/underground parking for our car and the equipment. The closer to the venue the better. Please note that a street parking won't work.

CONTACT

That's it, it's not much! We're flexible on all of the above but if you need to rearrange something make sure you let us know ahead.
